

PANA PERCUSSION INSTITUTE 2022

July 5 - 8 | WADSWORTH PERFORMING ARTS CENTER

Learn about the diverse world of percussion in a fun, inspiring, and educational hands-on percussion experience!

PPI 2022 is a total percussion experience for beginner to advanced students! We offer a wide selection of focus groups including marching, orchestral, drum set, marimba, world, timpani, and snare. Students will participate in percussion ensembles and attend masterclasses given by a range of diverse guest clinicians. Our world class faculty offer unique insight into the world of percussion. Students may also sign-up for one private lesson with his or her choice of faculty.

A hands-on study experience for middle school, high school, and pre-college percussionists
